No Other Conference Offers More Brand Exposure to Extended Care Thought Leaders & Decision Makers

The Annual ILTCI Conference offers unprecedented opportunities for you and your corporate marketing team. “Strut-your-stuff” to 1000+ attendees from every major aspect of the extended care industry. That’s why over more than 70 sponsors & exhibitors join us each year to further the growth of our industry.

Our ready-made sponsor/exhibitor packages and upgrade opportunities allow you to maximize your exposure and budget. No other conference is willing to work with you to personalize and highlight the advantages of your offering to all attendees. Ample time for participants to spend in the exhibit hall over lunch & networking cocktail events translates into contacts and follow-up opportunities for months into the future.

As a non-profit organization ILTCI spotlights our sponsors, exhibitors and speakers. For the past 20+ years ILTCI has worked to expand the availability of private extended care solutions including traditional long-term care insurance and combination life & annuity policies. The world of planning choices for consumers is expanding and ILTCI is in the forefront of these efforts.

About Us

The Intercompany Long-Term Care Insurance Conference Association, Inc. (ILTCi) is a public non-profit, charitable, scientific, educational tax-exempt benefit corporation (501(c) (3)). Our primary missions are to:

- Provide educational events, including an annual conference for representatives of the long-term/extended care insurance community and other strategic allies, including providers, public policy institutions, professional organizations, federal, state, and local government agencies, and the public.
- Provide networking opportunities for individuals with an interest in extended care issues including long-term-care insurance and/or financing options.
- Facilitate communication, among the broad spectrum of industry thought leaders enabling them to share information about skills and skill development, current and/or proposed methodology, tools, technology, and organizational issues.
- Increase public awareness of extended care needs and financing options.
- Foster research, reports, meetings, and workshops addressing funding mechanisms for long term and extended care services.
- Foster alliances between public and private sectors to seek solutions for the catastrophic long term care risks facing American society and to lessen the costs borne by federal and state governments under current funding mechanisms.
- Foster alliances between public and private sectors to help educate the American public on the nature of long term care risks and their financial implications.

Your participation in our Annual Conference and support of our multiple initiatives helps a diverse group of Americans grappling each day with the impacts of our aging society. We look forward to having you being part of our growing community as we work to make a difference.
